## Report of Independent Registered Public Accounting Firm

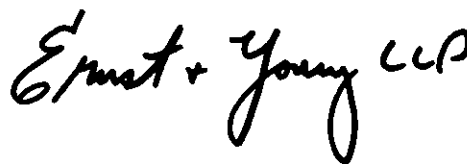

### The Members'

Bel Air Securities LLC (a Delaware Limited Liability Company)

We have audited the accompanying statement of financial condition of Bel Air Securities LLC (the Company) as of December 31, 2007. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Bel Air Securities LLC at December 31, 2007, in conformity with U.S. generally accepted accounting principles.

**Notes to Statement of Financial Condition**

December 31, 2007

**1. The Company**

Bel Air Securities LLC (the Company) is a registered broker-dealer in securities under the Securities Exchange Act of 1934 (the Act) and is a member of the National Association of Securities Dealers, Inc. (NASD) and various state regulatory agencies. The Company's principal business consists of the execution of securities transactions on a fully disclosed basis related to the accounts of clients of Bel Air Investment Advisors LLC (BAIA).

**2. Summary of Significant Accounting Policies**

The Company uses the accrual basis of accounting.

**Cash and Cash Equivalents**

The Company considers all highly liquid investments with original maturities of less than 90 days as cash equivalents. Cash and cash equivalents include cash in readily available checking, money market and brokerage accounts.

The carrying amounts of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities approximate fair value because of the short-term nature of those instruments.

**Receivable from Brokers and Dealers**

The Company clears certain of its proprietary and customer transactions through another broker-dealer on a fully disclosed basis. The amount receivable from the clearing broker relates to these transactions.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(a Delaware Limited Liability Company)

**3. Member Withdrawals**

During 2007, two members withdrew from the Company. In accordance with the Company's operating agreement, 20% of the related capital accounts was paid to the withdrawing members in 2007, and the remaining balances are due by February 28, 2012. Balances may be prepaid at any time at the option of the Company. At December 31, 2007, \$68,875 is unpaid.

**4. Significant Customers and Related-Party Transactions**

The owners of BAIA are the same as those of the Company. The Company shares office space, facilities, and personnel with BAIA. The Company was charged for services covered by an expense sharing agreement, of which \$114,672 is unpaid as of December 31, 2007.

**5. Net Capital Requirement**

The Company, as a registered broker and dealer in securities, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, as defined, does not exceed 15 to 1. The requirements also provide that equity capital may not be withdrawn or distributions paid if certain minimum net capital requirements are not met. At December 31, 2007, the Company's net capital, as defined, was \$1,115,784 as compared to a minimum requirement of \$17,163, and its ratio of aggregate indebtedness to net capital was 0.23 to 1.

**6. Indemnification Agreements**

The Company enters into contracts that contain a variety of indemnifications. The Company's maximum exposure under these arrangements is unknown. However, the Company has not had prior claims or losses pursuant to these contracts and expects the risk of loss to be remote.
